### 1.1 PARTIES (Statement of Work)

This Agreement is entered into between the Company and the undersigned Independent Contractor.

| Party      | Name / Address / Details                                                      |
|------------|-------------------------------------------------------------------------------|
| Company    | Jobdepi Technologies Inc., 215 Park Ave S, New York, NY 10003, United States. |
| Contractor | Amanda mohammed, amanda.mohammed4444@gmail.com, Country: USA                  |

### 1.2 DEFINITIONS

"Ground Truth Data": The verified and accurate text output required for AI training.

"OCR Refinement": The process of manually correcting machine-generated errors from handwritten images.

"Human-in-the-Loop (HITL)": Human verification required to validate automated system outputs.

"Personally Identifiable Information (PII)": Any data capable of identifying an individual (Names, Emails, Phone Numbers).

### 1.3 PLAIN LANGUAGE NOTICE

No technical or artificial intelligence experience is required to perform tasks on the platform. The work consists of accurately typing text shown in provided images.

### 2.1 PROJECT DESCRIPTION

You are engaged to assist US-based enterprises in digitizing handwritten records. This data supports machine learning systems in recognizing diverse handwriting styles.

### 2.2 WORKFLOW PROCEDURES (Your Task)

- Image Reception: Digital images are provided through the secure dashboard.
- Digital Conversion: You transcribe text (Names, Addresses, Qualifications, etc.) into designated fields.
- Validation: You must ensure submitted text matches the image accurately.
- Submission: Completed forms enter automated and manual review.

### 2.3 PERFORMANCE BENCHMARKS

Volume: No fixed daily requirement; continued platform access depends on consistent quality.

### 3.1 DATA PRIVACY PROTOCOLS

You acknowledge the sensitive nature of datasets. Industry-standard data protection and privacy practices are applied where applicable to protect client and contractor information.

### 3.2 PLATFORM SECURITY RULES

Non-Storage Policy: Data may not be downloaded or stored outside the secure portal.

No Recording Policy: External recording or monitoring tools during active sessions may result in account suspension to protect client data.

Encryption: All transmissions are secured using SSL/TLS encryption.

3.3 CONFIDENTIALITY (NDA)

You shall maintain confidentiality of proprietary materials for five (5) years following termination.

4.1 MULTI-TIER VALIDATION

The Company uses majority voting consensus. Work may be compared with other annotators and reviewed through secondary audit when discrepancies occur.

4.2 COMPENSATION (Statement of Work)

The following compensation terms apply:

| Term              | Description                                                                                                                                                                                                     |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Rate              | You earn \$2.00 (USD) per approved data entry.                                                                                                                                                                  |
| Credit            | The entry amount is credited instantly to your Jobdepi account balance after each successful submission.                                                                                                        |
| Accuracy          | One wrong field per entry allowed with no deduction. More than one wrong: \$0.25 (USD) deducted per wrong field for that entry.                                                                                 |
| Review            | Entries are checked by us up to twice per day. Any applicable deduction is applied to your balance after verification.                                                                                          |
| Withdrawal limits | First min: \$750 (USD) without CDEP, then \$150 (USD); with valid CDEP certificate first min \$100 (USD). Daily work limit \$300 (USD); you may request higher after first withdrawal, subject to our approval. |
| Payout method     | You may withdraw to Bank account, PayPal, or Crypto USDT wallet. Withdrawals sent only to your registered payout method.                                                                                        |
| W-9 / 1099        | We will request W-9 form details for U.S. tax reporting. We provide Form 1099 in accordance with applicable government rules for contractors who meet the reporting threshold.                                  |
| Incentive         | You will receive \$15.00 (USD) for every \$100.00 (USD) of approved work (15% on qualifying earnings), subject to our then-current incentive terms and verification.                                            |

4.2(A) PAYMENT TRANSPARENCY

Approved earnings remain payable even if the Contractor later stops using the platform, subject to standard verification procedures.

4.2(B) PLATFORM ROLE CLARIFICATION

The Company provides a digital work platform and does not guarantee income levels, task availability, or earning outcomes.

#### 4.3 IRS THRESHOLD & TAXATION

You are an Independent Contractor, not an employee. The Company does not withhold taxes. You remain responsible for applicable local tax obligations. Tax reporting will follow IRS-1099-NEC standards where applicable. Payments aggregating \$600 or more in a calendar year will be reported to the IRS and to you via Form 1099-NEC.

---

#### 5. INDEMNIFICATION, GOVERNING LAW & EXECUTION

5.1 INDEMNIFICATION: You agree to indemnify the Company against claims arising from fraudulent submissions or privacy violations. The Company will also take reasonable measures to protect contractor accounts and platform security from unauthorized misuse.

5.2 GOVERNING LAW & BINDING ARBITRATION: This Agreement is governed by the laws of the State of New York, USA, without regard to conflict of law principles. Any dispute arising out of or relating to this Agreement shall be resolved by binding arbitration administered by the American Arbitration Association (AAA) in accordance with its Commercial Arbitration Rules. The arbitrator's award shall be final and binding, and judgment on the award may be entered in any court of competent jurisdiction. Any court proceedings relating to the enforcement of an arbitral award, or any other matter for which court relief is permitted, shall be subject to the exclusive jurisdiction of the state and federal courts located in New York, New York.

5.3 TERMINATION FOR MALPRACTICE: Use of automation bots, scripts, or fraudulent access methods may result in account termination and forfeiture of pending balances.

5.4 ELECTRONIC SIGNATURE: By signing you provide a legally binding electronic signature under the U.S. E-SIGN Act. Digital timestamp and IP address may be recorded to verify execution. This document is electronically secured and protected under applicable electronic signature laws.

#### 5.5 EFFECTIVE DATE / 5.6 NOTICE / 5.7 ENTIRE AGREEMENT / 5.8 SEVERABILITY / 5.9 SURVIVAL

Effective upon signature. Notices may be sent via platform support or official contact email. This document supersedes prior agreements. Invalid provisions do not affect remaining clauses. Sections 3.3, 5.1, and 5.2 survive termination.

---

#### 6. CONTRACTOR FREEDOM & OPT-OUT

6.1 You may terminate this agreement at any time for any reason. No mandatory working hours or long-term commitments. 6.2 You may terminate by closing your account or discontinuing platform use; future obligations cease upon account closure except surviving clauses. 6.3 No exit fees, penalties, or liabilities for stopping work. 6.4 The Company does not require contractors to purchase software, tools, or services in order to receive or complete work.

---

#### 7. FORCE MAJEURE / 8. NON-EXCLUSIVITY

Neither party is liable for failure caused by events beyond reasonable control including natural disasters, war, pandemics, or critical infrastructure outages. This agreement is non-exclusive. Contractors may work with other platforms subject to confidentiality obligations.

---

#### 9. SECURITY & IDENTITY VERIFICATION

To prevent fraud, spam, and inconsistency, the Company may request identity verification as part of its security and compliance procedures.

Audit: Verification of Taxpayer Identification Number (TIN) is performed via a 3rd-party compliance gateway. High-volume payouts may require additional compliance verification as per Section 4.3.
